Foreword

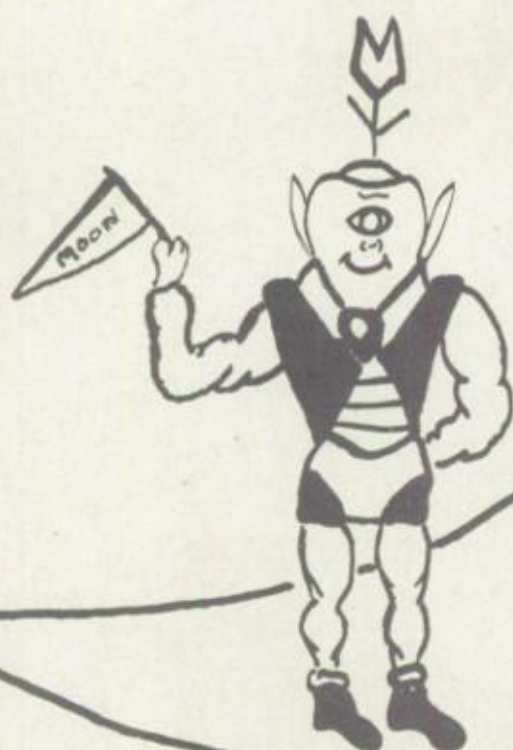

For the theme of the 1959 DUPONTIAN, I have chosen "Outer Space." A few years ago you would have thought of outer space merely as something you would have read about in a fiction book. Now that fiction has turned into fact.

As you leaf through the pages of the yearbook, you will see DuPont invaded by little people from another world. They go through the daily activities with the students and into our halls of learning. Through their eyes, perhaps you will view many events of the year which ordinarily might seem unimportant.

To travel in a rocket ship is an adventure that will be enjoyed by only a privileged few. Life is an adventure to be shared by all.

After graduation, some of us will attend college while others will immediately begin their life's work. No matter which fields you choose to enter, each is full of hopes and dreams waiting to come true.

Be ready to take your stand in these new fields that are being opened each day to the student who is ready with determination and ambition.

SENIOR CLASS OF DUPONT
HIGH SCHOOL IN BELLE,

Class of 1959

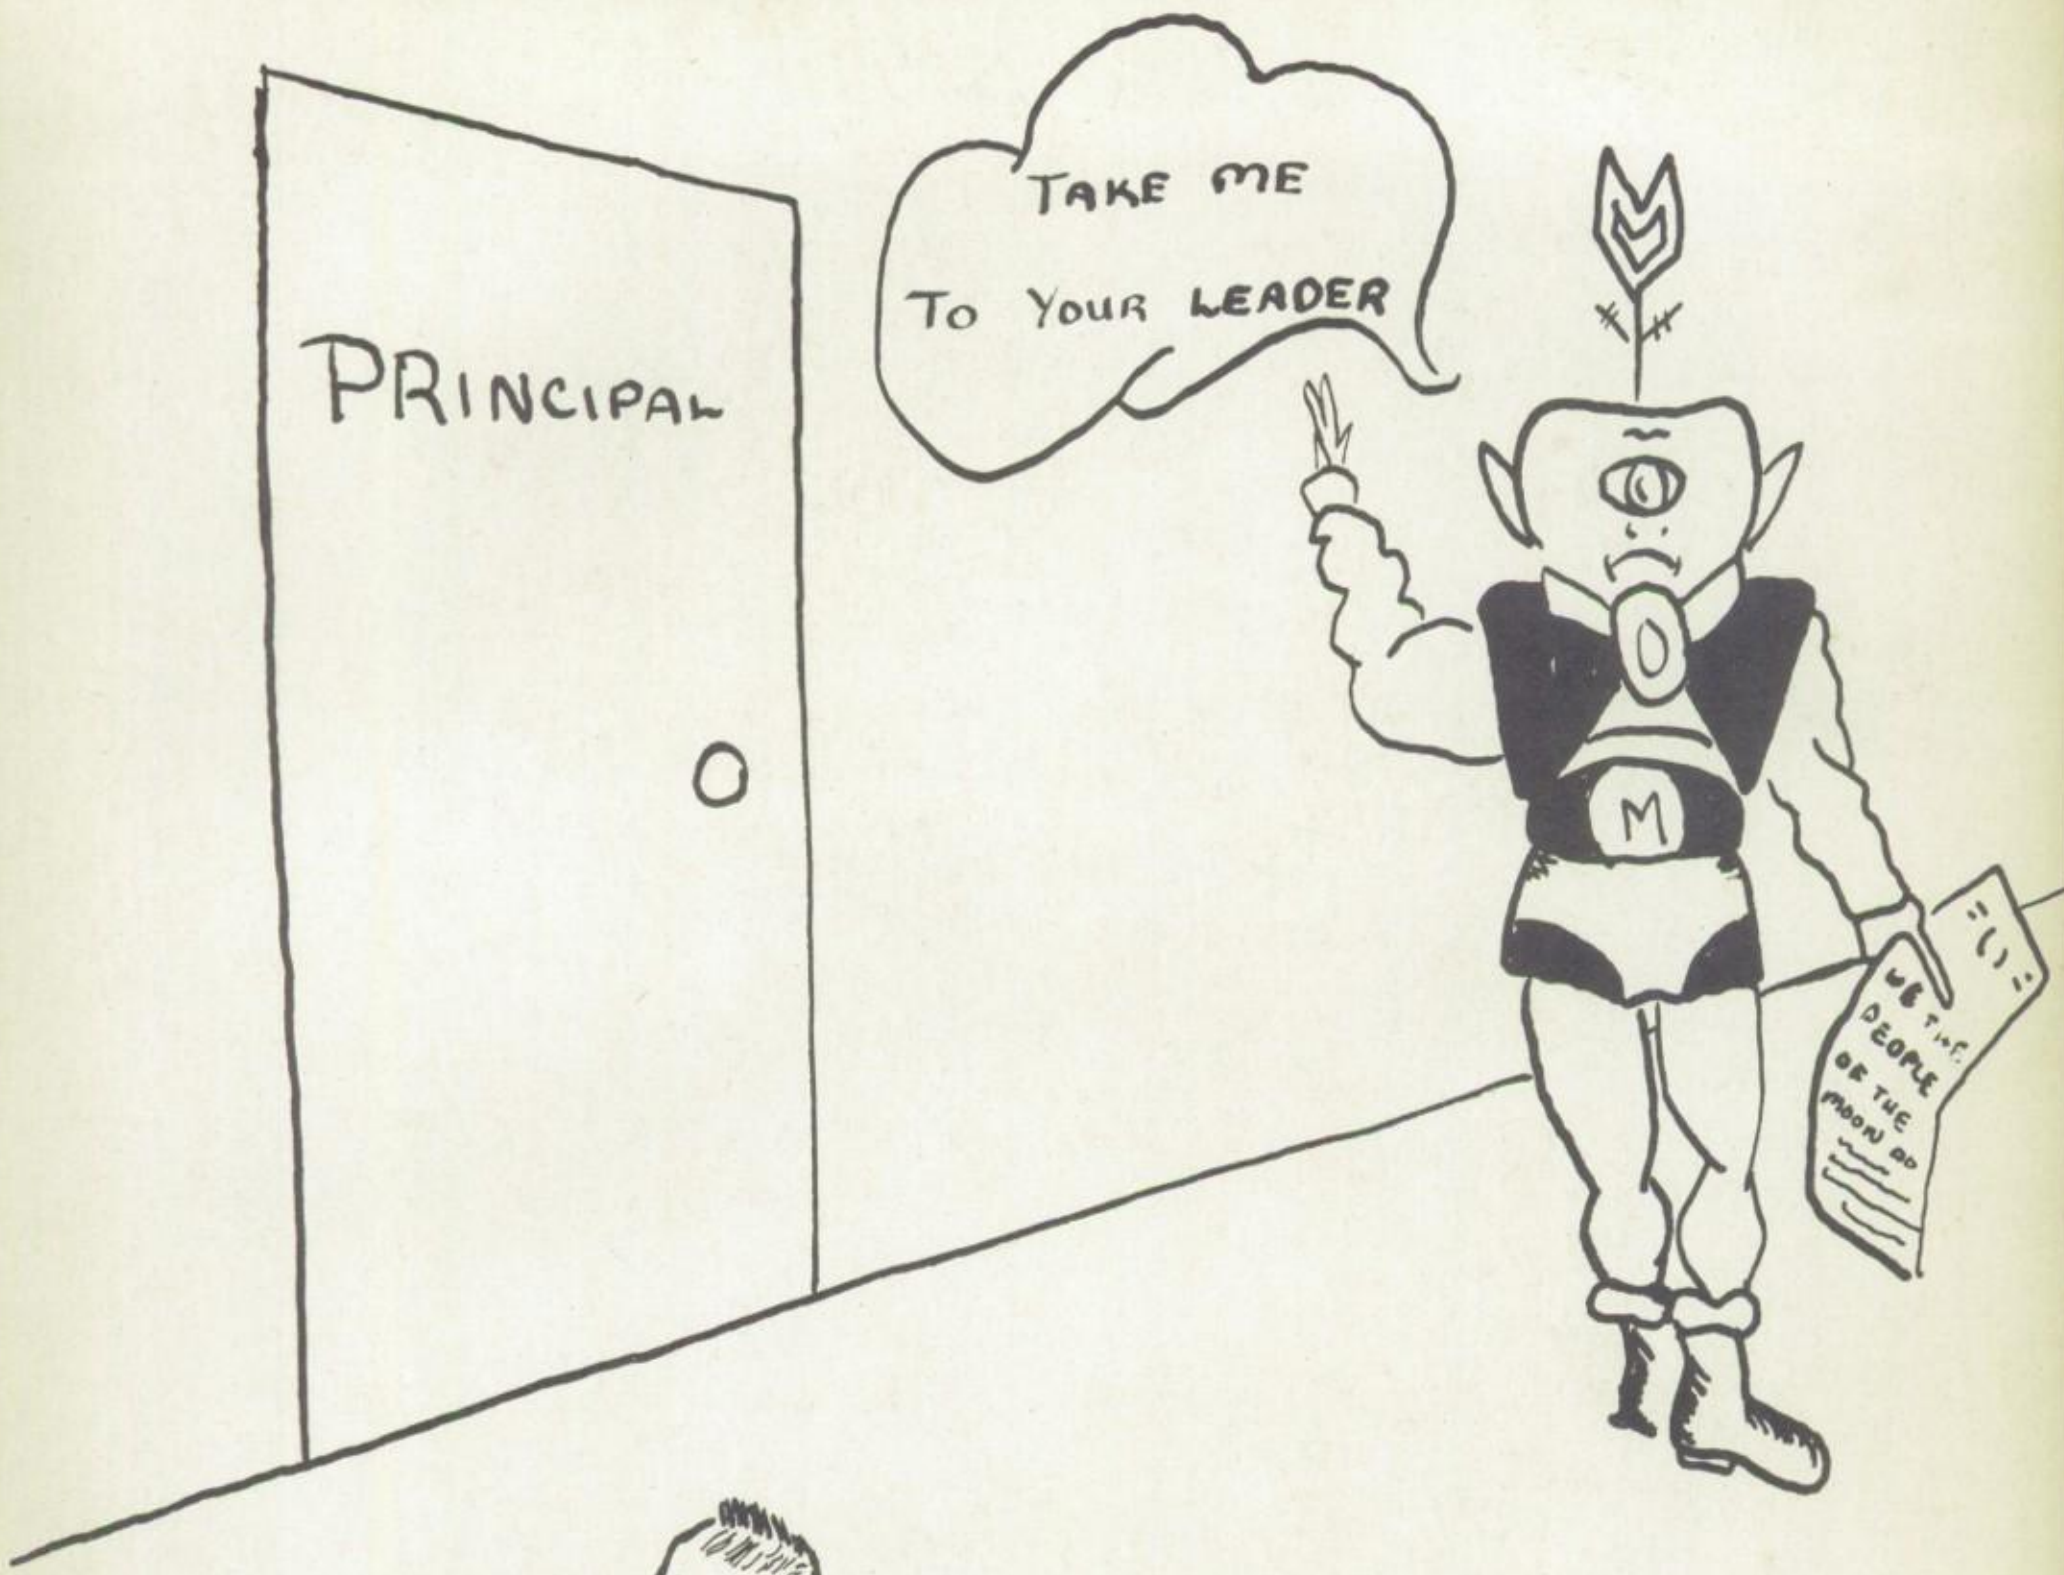

In Dedication

TWILA BROWN

To Mrs. Twila Brown, who during her four years at DuPont High School, has endeared herself to the many students who have been privileged to attend her classes, the Senior Class dedicates this issue of The DuPontian. Her untiring efforts in behalf of "her seniors" will long be gratefully remembered.

Faculty

Our Principal

The theme for the 1959 DuPontian certainly is a timely one. "Outer Space" today is a scientific expression—ten years ago it was the name of a comic book. I wonder if our student body is familiar with the terminology, as it might be used to apply to present school life and future adult living? Shall I translate a few common terms?

LAUNCHING PAD Success in school and life is tied so closely to home environment. The family that shares the joys and problems of every-day living, will send the child through school with a strong probability of no miss-fires in life. Are you doing your share to create this type of launching pad?

BOOSTER STAGES In the process of growth, we pass through several stages in personality. In our childish days we are likely to "blast-off" at parental control. These tantrums disappear in teen days to give proper direction to adult "thrust" into life. Are your Booster Stages normal or have you

failed to progress past stage one of immaturity and self-centeredness?

ROCKET PROPELLANT The ultimate objective in scientific power is solid fuel. If you are ready for a DuPontian Yearbook, your driving force should be recognizable. It must be a solid desire to amount to something. Ambition is a powerful propellant. Do you have this "solid"—as jive would ask?

SATELLITE A body in earth's orbit. All of our educational glory, make a flashy splurge and soon burn out. Will life's problems burn up your future?

TRANSMISSION OF DATA The avowed objective of scientific forces in our United States is not War but Peace. We hope the product of DuPont High will be firmly constructed in moral fiber and bound together in learning eagerness. They shall go forth into space to gather useful gems that will be returned to swell the great mass of knowledge called life.

Are you ready for outer space?

Guidance and experience qualify our Dean of Boys, **MR. HARRY DOUGLAS**, to help the man of the future get on the right track in his high school.

Solving problems of school and home life is not the only job of the dean. Schedule changes, a boy in trouble and taking care of absences are all included in his busy routine.

Throughout the schoolday, he is always ready to lend a helping hand.

Our Deans

Seated behind the desk, over which many varied and curious conversations take place, is our dean, **VIOLET CAMPBELL**. Walk into her office and you will never find her idle. A few of her many tasks around DuPont are the arranging of students schedules, counseling girls on every subject from matrimony to Mendelssohn, or loaning money to a girl who just discovered there is a ballgame and she has no change.

Secretary and Help

Above—Mrs. Scherer takes time out from her busy schedule to smile for the DuPontian photographer. Her duties include taking care of transcripts, getting out announcement sheets, and tending to the bookstore.

Below—These girls come to the aid of Mrs. Scherer by running errands, typing and helping in filing. They are: Seated—Joann Garrison, Janet Stone, Esther Miley. Standing—Stephanie Bucky, Rose Fleshman, Sue Holtsclaw, Bonnie Combaw, Jan Holtsclaw, Janet Asbury.

Deans' Assistants

Above—Mrs. Campbell is shown with her “right hand” girls, who help her by running errands, answering phones, writing excuses, and filing. They are: Johnna Jackson, Myriam Hitchcock, Mildred Hopkins, Nancy Atkins, and Barbara Wilton.

Below—These girls work together to help make Mr. Douglas' job more pleasant. Their duties are about the same as other office assistants. They are: Eugenia Berrier, Sara Whitten, Gardia Taylor, Carrol Wolfe, and Mary Cooke.

Seniors may study Macbeth while an eighth grader may be learning the parts of speech.

The science student may be launching into the new space age.

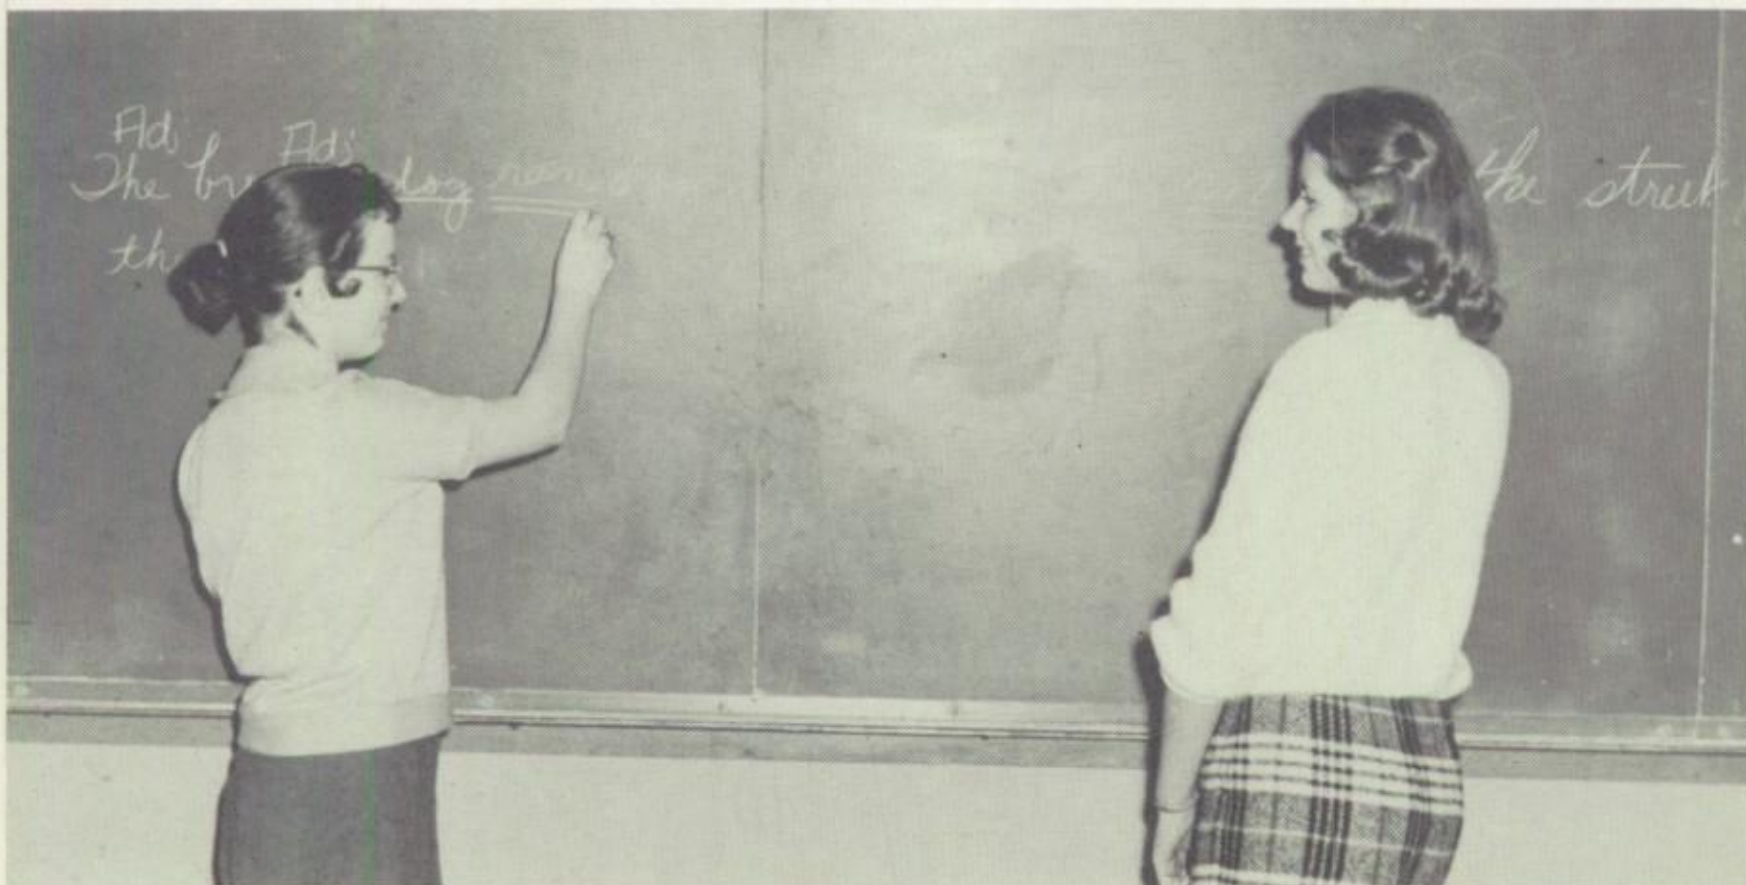

Preparing for a well rounded education and personality are all a part of the school life, and these teachers are all vitally needed.

Above—The dignified faculty members of DuPont “let their hair down” each year and help the Junior Class by putting on a skit. All of the proceeds go toward the Junior-Senior Prom and the Junior Picnic. **Below**—Santa Claus makes a personal appearance to the students of Mr. Whitman’s Seventh Grade Homeroom. These students celebrated Christmas at school by singing Christmas Carols, decorating a tree and exchanging small gifts.

Many jobs are performed in editing the DuPontian and Sandra Lee, editor, along with Diana Berkhouse, her assistant, have been preparing copy, layouts, trimming pictures and meeting deadlines throughout the year.

Assistant editor, Diana Berkhouse will assume full responsibility for editing the annual next year.

Handling all the business details are Ann McCormick, Business Manager, and her assistant, Connie Thomas.

Ann and Connie are in charge of all subscriptions from students, and other finances from advertisers. They see that all records are kept accurately and money is deposited to the DuPontian account.

Making the Advertising Section of our yearbook attractive is the job of our Advertising Manager, Nancy Rice, and her assistant, Ann Metz. One of their jobs is to obtain ads, set them up, and write copy.

Mike Albert, Sports Editor, and Assistant James Wiseman, are in charge of

the Sports Section. The selection of interesting basketball, football, and track pictures is one of their responsibilities. Obtaining sports records and writing copy is also a part of their job.

Pictures are the life-line of any yearbook, and ours is no exception. DuPontian photographers are Bill Kimble and his Assistant Tom Jacobs. All activity pictures are taken by this indispensable pair. Ann Metz does the art work for the division pages.

Typist, Barbara Wilton, takes care of all copy to be sent to printers. Many special typing procedures must be exercised in this, a very important phase of yearbook work.

Serving another year as adviser is Mr. B. F. Gillum. This is his thirteenth year as the DuPontian instructor.

Preparing difficult layouts and taking care of emergencies that arise during editing are his jobs.

The Thespians presented a three-act comedy to the student body entitled "Tons of Money." Shown here are: Nancy Atkins, Tom Jacobs, Tommy Hunter, Lou Morris, Richard Smith, and Debby Hoffman. These members of the Thespians helped to weave a plot around money, greed, and general chaos. The comedy was directed by Mr. Lewis Barnes, who is sponsor of the DuPont Chapter of the Thespians.

These girls are anxiously awaiting the completion of the DuPontian which will officially announce the winner of the Junior High Popularity Contest. They are: Mary Jarrett, Connie Porter, and Kitty Meadows, who were selected by the Junior High School. Each year the DuPontian sponsors a Senior High and Junior High Popularity Contest, which can include candidates from all grades. The student body selects the winner and her attendants by its popular vote.

Mr. E. F. Garrity smiles proudly as he is presented the "Calling All Panthers" by Ann Metz, Student Council Vice President. The booklet contains the names, addresses, and phone numbers of all students and faculty of DuPont listed alphabetically. The book was compiled by the Student Council and was sold for twenty-five cents. Mrs. Josephine Wolfe acted as sponsor of the project while the editorship was given to Ann Metz.

Of 1958-59

Student Council members are shown here as they help prepare some of the baskets which they presented to the needy families of our area. Sam Martin, Charles Sparacino, Judy Akers, and Sandy Daniel are pictured above rearranging some food in the baskets. These students are members of the Student Council by either being in the sixth period Forum, a home-room representative, or a Student Council officer.

Did I win? That is the question each of these girls is asking herself at this time, but the winner won't be known until the first issue of the 1959 DuPontian arrives at DuPont. Lynn Meador, Diana Berkhouse, and Linda Brown were the three finalists of the Senior High Popularity Queen Contest. These girls were chosen by the popular vote of the Senior High.

The chair committee is composed of boys who give their free time to setting up chairs for assemblies, visual education, and any special programs. They are: Bill Ramsey, John Jarrett, Kenneth Marshall, Carl Cosby, Mike Dorsey, Eddie Fout, Dean McCoy, Terry Kelly, Herbie Rutledge, Roy Rucker, Danny Grudier, Harry Gibson, Butch Miller, James Canterbury, Lawrence Hardman, and Jerry Simms.

Harlow Rutledge and Jimmy Day seem to be seriously considering a trip to Hawaii. Connie Porter, Judy High, Gloria Johnson, and Jane Gregg lent a tropical air to the follies production.

Sophomore Gift Basket Program

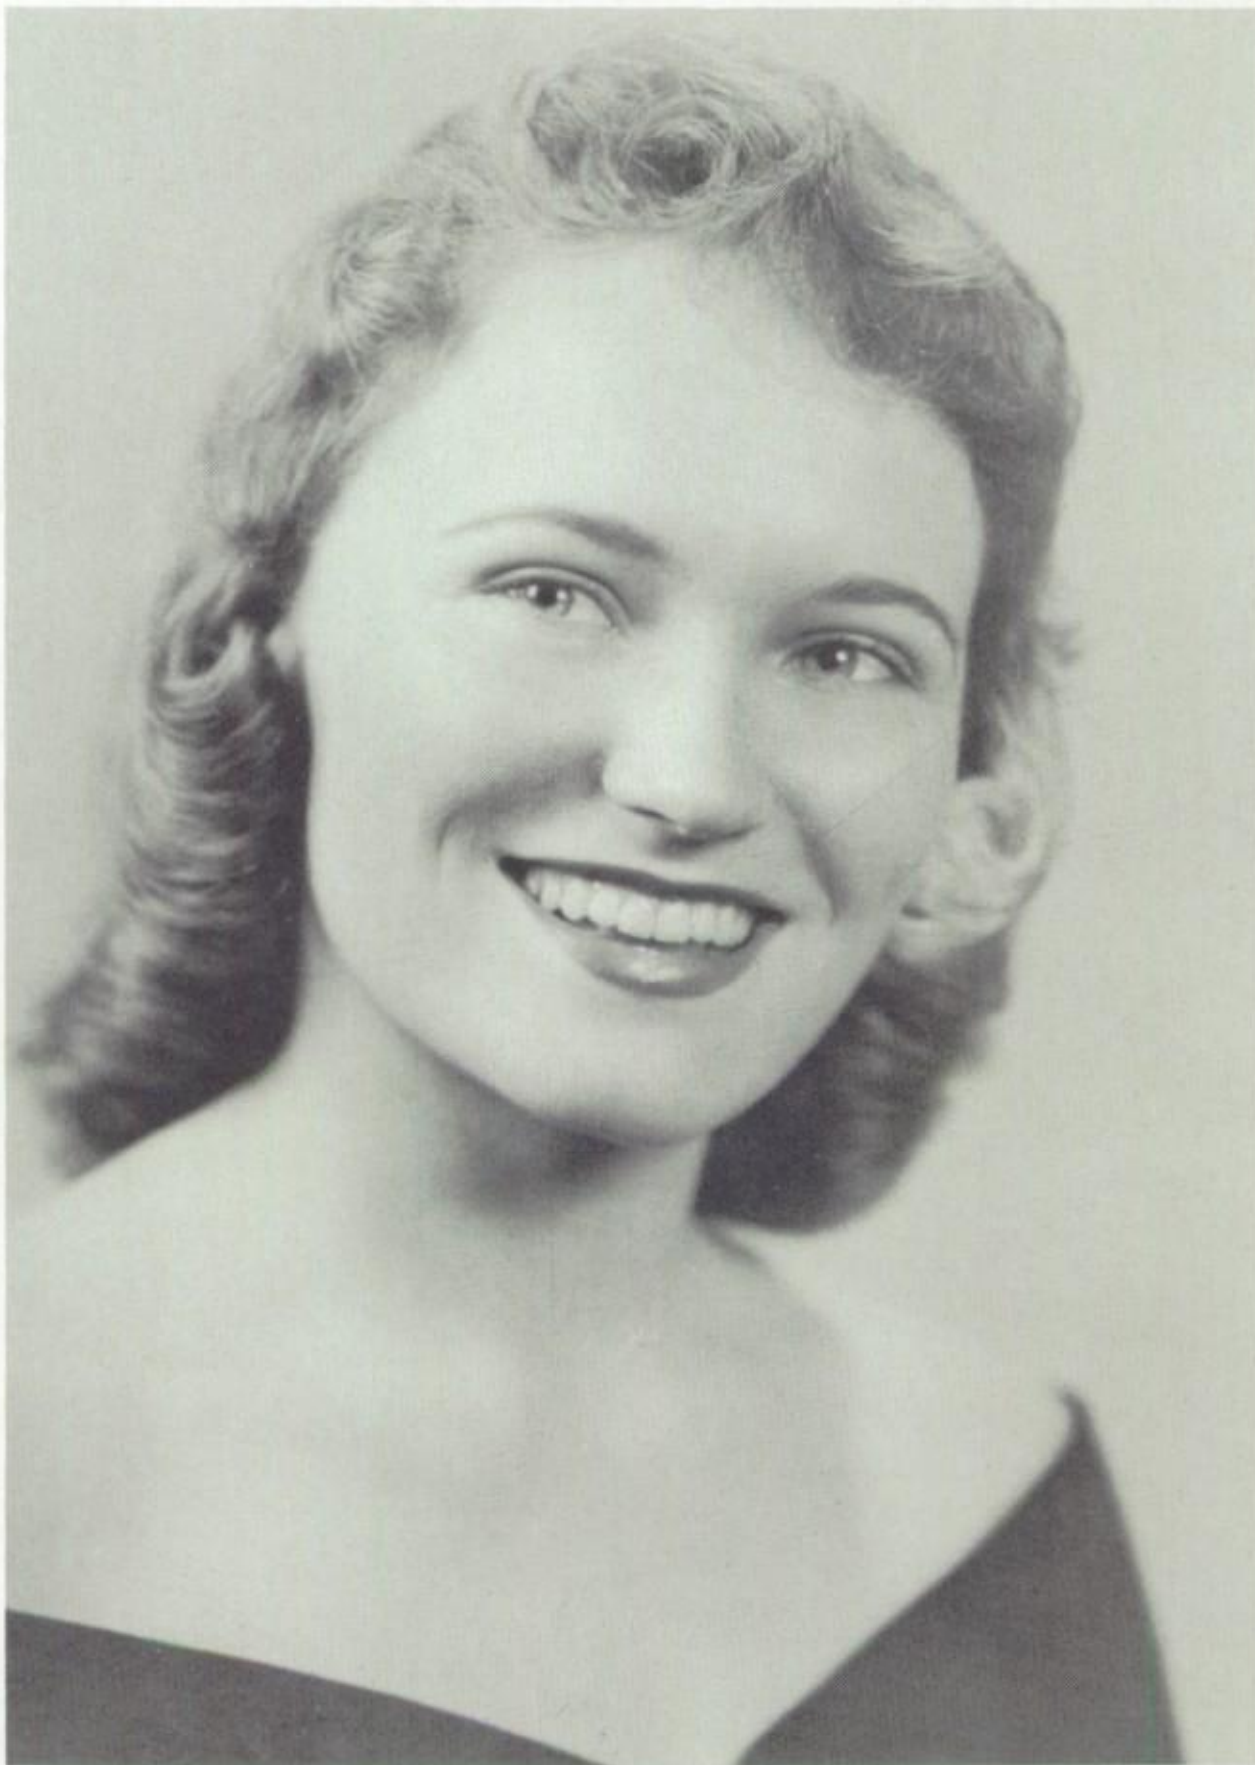

"Winter Wonderland" was sung by Kay Jarvis, Susan Callahan, and Janet Moss during the annual Gift Basket Program. The talent was furnished by the Sophomore class under the direction of Miss Thacker.

Food bought with the proceeds of the program, and food given by donation was distributed throughout the area to needy families by the Varsity Club. Shown here are Chuck Welch, Butch Kincaid, and Mike Albert as they prepare to leave.

Sophomore carolers listen diligently with their little French friend, Pierre, as Barbara White entertains the audience with her rendition of "Love is a Many Splendored Thing" on her accordion.

PANTHERS ROLL OVER SOUTH CHARLESTON

The Panthers opening game this season saw them win their first of four victories at the expense of South Charleston. The first two scores came on 63 and 25 yard scampers by Chauncey Robinson, both in the first quarter. Charles Blake passed 31 yds. to Robinson for the other first half Panther tally. Scoring for South Charleston were Michaux and Combs. At intermission the Panthers led 18-14. Robinson continued his scoring in the last half on a 21 yard pass play from Blake and Wiseman booted the extra point. Combs scored again for the Black Eagles to make the final score 25-20.

Welch (20) charges upfield gaining yardage before Elkview closes in.

DUPONT TIES DUNBAR

DuPont traveled to Dunbar and surprised a highly-touted Bulldog team with a hard fought 19-19 contest. Chauncey Robinson plunged over from the one for the Panther's first score. Dunbar then scored two straight touchdowns, both by Dave Santrock, to take an early lead. Before halftime, however, Blake's 34 yard pass to Robinson put the Panthers back in the game, making the score 13-12. In the third period, the Bulldogs again shot into the lead on a score by Jim Kay. A Blake to Deardorff pass play assured the Panthers of a tie game.

PANTHERS BOW TO MONTGOMERY

DuPont ran into some difficulties against Montgomery, losing a fumble riddled contest by a score of 26-13. A Panther fumble set up Montgomery's first score by Gary Ballard, giving the Greyhounds an early lead. However, Blake's pass to Robinson, and Wiseman's extra point made the score 7-6. This wasn't for long though as Jim Wills' score put Montgomery ahead again and this time to stay. Second half scores for the Greyhounds came on runs by Wills and Dick Taylor. Terry Kelly bolted 4 yds. for the final Panther tally.

DUPONT ROMPS ELK HERD

The Panthers of DuPont had very little trouble in registering their fourth and final win of the season over a helpless Elkview team on the home field. Getting off to a rousing start on two Chancey Robinson scores and a Blake to Benny Welch pass, the Panthers coasted to a 40-0 triumph. Kelly opened up the second half by returning an Elkview kick-off 88 yards. With the Panthers leading 27-0, the Elk Herd made their only threat of the game, driving to the 10 yard line of DuPont. A stubborn Panther line, however, refused to yield a score. Kelly raced 80 and 10 yards to end the game's scoring.

Won 12 — Lost 4			

Top Left—DuPont guard, Gary Markham, jumps high to raise the Cub's score in the Chelyan game as an unidentified defender hopelessly looks on.

Top—DuPont player, Freddy Higginbotham, finds himself all alone under the Cub's basket and cashes in on an easy lay up to raise the tally in the game against Lee-wood.

Bottom Left—Panther Cub players, Bill Kegley and Gary Markham watch their teammate, Lawrence Williams, make a basket despite the defensive effort of an unidentified Marmet player.

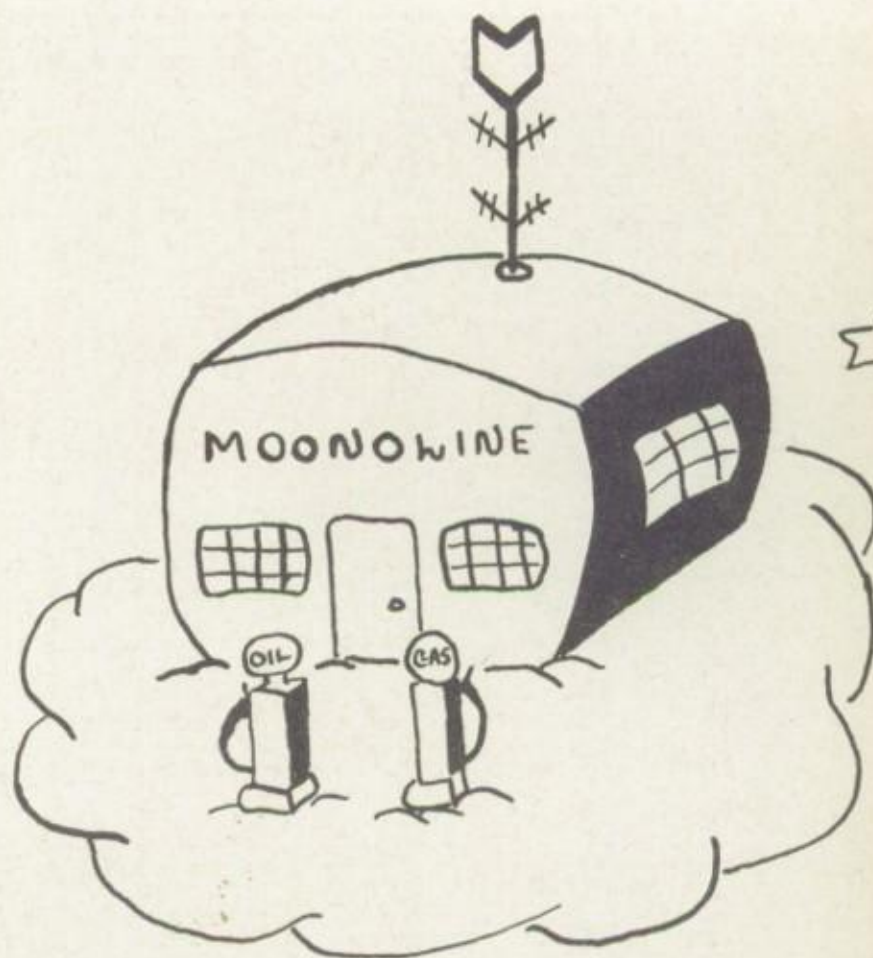

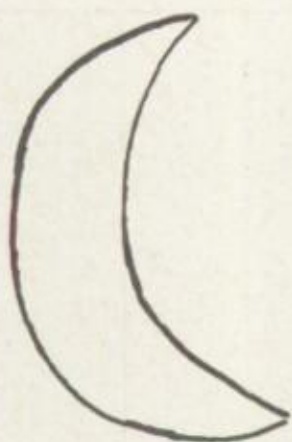

Cheerleaders

Cheering our boys on to victory during the football and basketball seasons were cheerleaders Mary Cooke, Ann Metz, Sally Grady, Carol Blanton, Captain, Nancy Rice, Asst. Captain, Paula Hall, and Deanna Sanford. They also sponsored dances during the noon hour and participated in noon pep assemblies.

Seen cheering the Cubs at the Jr. High ballgames were cheerleaders Kitty Meadows, Sandy Hall, Judy Hanna, Ginny Hall, Captain, Joyce Daniel, Bonnie Hines, and Barbara Flowers. The Jr. High Cheerleaders are under the leadership of Miss Shaar, who has been their sponsor for four years.

ACKNOWLEDGMENTS

The staff of the 1959 DuPontian wishes sincere appreciation and thanks to those people who have given of their time and labor in the production of this annual.

Special recognition goes to Mr. B. F. Gillum for his invaluable advice and work in directing the publication of this book; to Jones Printing and Lithographing Company for their fine workmanship; to Mr. W. W. Wallace of DeLuxe Studio for his excellent photographing of our seniors; and to Mr. Evan L. Williams for photographing our underclassmen. Let us not forget our fine advertisers and sponsors who have given us such a helping hand through all the years.

To all of those who have written copy, taken photographs, drawn layouts, and the many other numerous jobs that go into making an annual, we hope you will never forget the happy hours spent working on the "DuPontian."
